

NORTH DAKOTA  
**BANKERS**  
ASSOCIATION

## **NDBA IT Peer Group Meeting Agenda**

**July 27, 2023**

**Meeting Room: 101**

**Facilitators:** Jona Ziemann, Starion Bank  
Allen Huber, BankNorth

### **Welcome and Introductions**

### **Presentations:**

#### **Shedding light on diversity - Presentation by Jennifer Guthmiller, Dakota Carrier Network**

Your bank expects you to provide a reliable network. As IT professionals, we all know guaranteed network connectivity does not happen by chance; truly diverse networks are the result of careful design and implementation. Let's talk best practices when it comes to diversity and how to maximize your uptime.

#### **Managing Vendor Risk in 2023 - Presentation by Robb Nielsen, SBS CyberSecurity**

On June 6th, 2023, the final interagency guidance on managing risks associated with third party relationships was issued becoming what is thought to be the most substantial guidance published to date in the cybersecurity space. This session will discuss the current regulatory landscape, pitfalls banks should consider when integrating vendor management into a well-structured information/cybersecurity program, and getting value out of your vendor management program.

### **Submitted Topics:**

1. ChatGPT Usage and Integration & Other AI Technologies
2. FDIC Exams & Audits
